SUMMER INTERNSHIP / WORK EXPERIENCE

Internship, South Eastern Railways	Dec 2018 - Jan 2019
The South Eastern Railway is one of the 18 railway zones in India and Part of Eastern Railways. It comprises Adra railway division, Chakradharpur railway division, Kharagpur railway division and Ranchi railway division. As a trainee I was introduced to the working of different diesel locomotives and electric locomotives.	
Internship, Mahindra Sanyo Special Steel pvt. Ltd.	Jul 2018 - Jul 2018
As India's leading alloy and special steel manufacturer, MSSSPL is the preferred supplier to many multinational and domestic customers as well as the government in the field of Automobile, Power Generation and Railways. I was introduced to Metering, Scada, Relays and Bus Bar combinations.	

PROJECTS

Hand gesture controlled home automation system using IOT - Multi Disciplinary Design	Jan 2019 - May 2019
This project aims for next generation smart homes. The electrical appliances can be switched on and off using hand gestures. It creates a smart and hassle free economic home automation system.	
Propeller LED display - Minor Project 2	Jan 2019 - May 2019
This project emphasis on persistence of vision technology. This technology saves energy by consuming less power.	
Smart Blind Stick - Minor Project 1	Jul 2018 - Dec 2018
This project was developed to help the visually impaired people at very cheap and affordable rate with any customization of their choice. It helps the visually impaired people in detecting obstacles and dangers in front of them during walking.
